Free DVD Christian Listening Course Available

As part of our training we have used Acorn Christian Healing Foundation for Listener training and also use their training at our ongoing prayer and training meetings.

We have recently used their 'Just Listen' DVD as a refresher and realised what an excellent resource this is for better understanding listening skills.

The course is a valuable life skill and an ideal starter to understand Christian listening, which will enhance your ability to listen to others and help them, utilising a Christian attitude.

The 'Just Listen' DVD is divided into 6 segments approximately 15 minutes each covering Tuning in, What kind of listener am I, Developing a listening attitude, Identifying obstacles, Doorways to good listening and ideas to inspire you. The DVD is ideal for a home group, Church gathering or individual use.

Dear Prayer Partner,

Getting Closer to God.

Many Christians including some of our callers have problems feeling close to God. Many say they have accepted Christ as their Saviour but they don't hear God speaking to them and guiding them and we know that, understandably for many, this is a cause of real concern. So how do we get closer to God? The Bible states in James 4:8 'Come near to God and he will come near to you.'

God is always close to us, his caring arms are always available but the World tries to drag us away from God with every type of distraction, in the lesser cases, putting other activities ahead of building a relationship with God, in the more extreme cases turning to drugs, alcohol or other addictions to numb the sense of not knowing our loving heavenly Father.

Things to consider are;

- 1. Have you prayed the sinners prayer, asked for forgiveness and accepted Christ as YOUR Lord and Saviour.*
- 2. Are you attending a Church where you can hear the Word of God and be surrounded and supported by other Christians.*
- 3. Are you reading the Word? Remember, when you carry the Bible, Satan has a Headache; when you Open the Bible, he Collapses. --- When he sees you Reading the Bible, he loses his Strength and when you Stand on the Word of God, Satan can't Hurt you!*

It is a constant struggle to keep our eyes fixed on Jesus, and to not become distracted by the passing concerns and things of this world, but if we are aware of what can, and does, interfere with our walks with God we can begin to take the necessary actions to prevent them. Remember the Scripture, 'But seek first the kingdom of God and his righteousness, and all these things will be added to you. (Matthew 6:33).'

I pray God will bless you in ways you never even dreamed possible.
